### PROPERTY DESCRIPTION

FULLY RENOVATED Gregory Dream Home!! Back on the market after a full renovation. Brand new gorgeous kitchen, all new bathrooms, new roof, new back yard, new driveway. The massive, flat, fenced in back yard paired with a big stone patio is an absolute dream in itself. All bedrooms are oversized with large windows allowing light to pour in on the freshly stained hardwoods, each with their own large closet, the master with a huge walk in. Two driveways, both gated, one leading to a big 2 car carport the other leading to sloped walkway that takes you to the freshly finished basement. Basement being an understatement seeing as it feels more like a studio apartment, with its own full kitchen with stone counter tops, a huge island that joins with an open great room with an enormous brick fireplace. It doesn't stop there, there are three more large rooms, one being a bedroom with a walk in closet and a full bath with a large walk in shower. Rare find in the Heart of Green Valley!!
