### PROPERTY DESCRIPTION

Welcome Home! This light, bright and happy classic brick house has been beautifully cared for and nicely upgraded. Spacious rooms perfect for gatherings, open living areas filled with light from front to back picture windows, transoms and glass paned doors make this home so inviting. Newer vinyl wrapped windows, insulated vinyl siding, brand new carpeting in the bedrooms and on the stairs, newer insulated garage doors and many fresh paint touches. The Greatroom has a pretty gas log fireplace with a wide case opening leading to the wonderful oversized kitchen with a breakfast nook overlooking the deck and shady backyard, island, tons of cabinets, pantry. Huge master suite up featuring a vaulted tray ceiling, luxurious bath, separate shower, double vanity and a great walk in closet. The other bedrooms are nice size rooms. Downstairs you will find a like new play-rec room. Peaceful, quiet cul-de-sac. Fenced yard. Friendly neighbors out walking and playing-this is good place to be!
