### PROPERTY DESCRIPTION

CHARMING AND INVITING!! Brick walls and exposed ceilings add to the modern but cozy feeling of this home! The living room and kitchen are lovely and would be great for friendly gatherings with the front windows overlooking the park. One bedroom is located on the main floor with a full bath. Located on the second floor is the primary bedroom and bath. The primary bedroom is large and has 2 closets. The primary bath is well appointed . A second bedroom and bath along with the laundry are also located upstairs. CONVENIENCE is the word for this home's location. It is 5-10 minutes from hospitals, shopping, restaurants and expressways.
