Bedrooms: 4 Full Baths: 2 Half Baths: 0 Levels: 2+ Story Square Feet: 2,578 MLS#: 21391718

PROPERTY DESCRIPTION

Looking for a modern, full-brick home with a large basement? Your search is over! This home has everything you're looking for: an open floor plan, spacious rooms, updated original hardwood floors, and a large private backyard. The great room and dining area opens to the recently remodeled kitchen featuring an island. You'll fall in love with the modern kitchen equipped with stainless steel appliances. Don't miss the den with its large floor-to-ceiling windows, perfect for relaxing and enjoying nature. The oversized master suite is incredibly inviting. With 4 bedrooms, 2 full bathrooms, and 2 dens, this home offers plenty of space. The basement holds immense potential with a large unfinished area awaiting your personal touch.
