PROPERTY DESCRIPTION

This brick Trace Crossings executive home with huge, flat backyard is ready for your family. With refinished hardwood floors & plantation shutters, this lovely home has spread-out space. The main level great room; living room, dining room & screened porch are perfect for family gatherings. The cook will enjoy the Viking gas cooktop; convection oven & ample counter/cabinet space. The spacious main level primary suite has a new soaking tub & custom closet cabinetry. Upstairs are 3 large bedrooms. One room has a private bathroom. Two rooms share a Jack-n-Jill bathroom. Loads of attic storage space & walk-in closets. The finished, daylight basement has a full bathroom & a family room that opens to a massive, covered patio with a view of one of the largest neighborhood backyards. In addition to a basement bedroom, there is an office (being used as a closet) and a kitchenette set up. This space would make a great mother-in-law suite. Enjoy convenience to schools, shopping & restaurants.
