PROPERTY DESCRIPTION

New construction! This is a great opportunity to own a low maintenance home with all the modern conveniences of new construction in a great historic area. Enjoy one-level living with a garage. This open layout home lives large thanks to its high ceilings and split bedroom floorplan. The backyard is private, the master bedroom sits on the back of the home making it a quiet retreat. The well-appointed kitchen with granite countertops and tile backsplash offers stainless steel appliances and plenty of work space. Close to Downtown Bham, Ruffner Mountain and all the Birmingham has to offer. Great closets and lots of storage.
