PROPERTY DESCRIPTION

Completely renovated in 2021! One story home on a large lot in a central location close to shopping, dining, UAB. The kitchen features beautiful carrera marmi quartz countertops, stainless appliances, and prep island. Open living and dining space guarantees no one misses out on conversations! Gorgeous hardwood oak flooring runs throughout the home. Primary bedroom features private bath with tiled shower. Two additional bedrooms and one bathroom offer plenty of space for family and friends. Enjoy coffee or cocktails on the covered back deck overlooking the large, fenced in backyard. Roof, HVAC, Water Heater, Vinyl Windows, Driveway, Electrical, Plumbing, just about everything, only 2 years old. Also my favorite part, the beginning of the Vulcan Trail is right across the street !!! You aren't going to want to miss this house!
