PROPERTY DESCRIPTION

Everything to love about this one! One of the largest floorplans with so many upgrades. On the main level you will find a large primary bedroom and bath as well as open living/dining/kitchen area. Gas fireplace. Main level laundry. Remodeled half bath. Kitchen island and breakfast nook, also features new refrigerator and stone countertops. Upstairs has 2 bedrooms and a full bath plus a loft area overlooking the green space directly across the street. Upstairs flooring was replaced with LVP in 2019. Huge bonus room lower level-would make a great media room, exercise room, or fantastic home office! Full bath downstairs. Two car garage with storage. Newly refurbished deck. Both main level and lower level HVAC's have been replaced as well as the furnace. The back of the home overlooks the woods-very quiet! Community pool, sidewalks, and green spaces galore! Monthly fee includes pool, water, sewer, pest, lawn care, common areas, insurance, maintenance, and improvements.
