### PROPERTY DESCRIPTION

Motivated sellers! Seller to pay for a 2-1 buy down, which will lower the monthly note for the first two years of the loan. This gorgeous 4bd/2 1/2 bath home has been totally updated. The master bed and bath, with new vanities and a beautiful shower, along with the great room, formal dining room, kitchen, breakfast area and laundry room are located on the first floor. All light fixtures have been replaced, and the interior has been freshly painted. The second floor boasts a nice landing area at the top of the stairs, two bedrooms, a bathroom, and a walk-in attic. Lots of closet space with new shelving! The fourth bedroom is found in the basement, along with an office. You'll enjoy using the workshop area in the spacious two-car garage. The area behind the deck can be cleared to have more of a back yard. Hoover school system! Call today to see to schedule a showing!
