PROPERTY DESCRIPTION

Discover this stunning 4 bedroom, 4.5 bath home in the luxurious Blackridge resort community. As you enter, the 'WOW' factor is undeniable with the towering ceilings of the foyer, living room, kitchen, & dining area. The expansive master bedroom offers ample space for a generous sitting area. The en suite master bathroom boasts a spa-like ambiance, leading to a large custom closet. The main level also offers a half bath, flex room that would make a great office, laundry room, second bedroom, and full bath. Upstairs you will find a large den, 2 more bedrooms, & 2 full baths. The rear patio is an excellent area for entertaining, with ample space for a large lounging & dining area. The flat backyard is ideal for ball games or a pool if you choose. Blackridge's amenities are unparalleled, including a fitness center, pickleball courts, wiffleball field, playground, an infinity edge community pool overlooking a 100-acre private lake for fishing, swimming, paddleboarding, or kayaking.
