Bedrooms: 4 Full Baths: 3 Half Baths: 0 Levels: 1 Story Square Feet: 2,633 MLS#: 21370447

PROPERTY DESCRIPTION

You have got to see this COMPLETELY RENOVATED masterpiece for yourself! NEW EVERYTHING! Flooring, plumbing, electrical wiring, cabinets, countertops, appliances, and windows. No detail has been left untouched! Showstoppers include stunning GRANITE countertops, NO CARPET only LVP, modern light fixtures perfect for that high-end look and HUGE primary bath. All windows are BRAND NEW keeping those utilities bills low! Open floor plan upstairs allows for a great flow and use of space. FULLY FINISHED BASEMENT redesigned for maximum use of space including two bedrooms, a full bath, 2nd living room with fireplace, bonus space and full storage closet. There is an abundance of space in the entire home with something for EVERYONE. With a massive, private backyard and two driveways there is plenty of space to have everyone over for the ultimate backyard BBQ. This is one you have to see to believe and qualifies for USDA loan!
