

4943 STONECREEK WAY

\$275,000

Bedrooms: 3 Full Baths: 2 Half Baths: 0 Levels: 1 Story

MLS#: 21401232

PROPERTY DESCRIPTION

Welcome to Stonecreek! This charming home that has an open concept kitchen/great room. The very spacious kitchen has an oversized island, large cabinets, and plenty of countertop space. It even comes equipped with a very large walk-in pantry & separate laundry room. The great room flows into the sunroom and is perfect for entertaining. The master suite features a walk-in closet, private bath with double bowl vanity and separate tub and shower. This property has access to community pool, streetlights and sidewalks. This well loved and maintained home with its new carpet, in all 3 bedrooms, updated kitchen countertops and sink as well as the outdoor barns, gazebo and grilling area that are wonderful additions to this amazing home. Don't wait!
