PROPERTY DESCRIPTION

The same family has loved and cared for this home since it was built. Welcome to this delightful home in Crestwood! Built in 1956, this residence blends vintage character with modern comforts. Inside, you'll find a spacious living room with original hardwood floors and large windows, perfect for natural light. This home features three comfortable bedrooms, including the primary with an ensuite bathroom. Outside, enjoy an expansive backyard that is fenced in, perfect for entertaining. Located in a friendly neighborhood, you're just minutes from local parks, shops, and dining. Don't miss your chance to own this charming piece of Crestwood history!
