PROPERTY DESCRIPTION

Come see this beautifully renovated home! When you step inside, you will fall in love with the restored hardwood floors, new paint, modern light fixtures, new appliances, and new vanity. The kitchen is absolutely gorgeous, featuring hardwood floors, a new stove, a built-in microwave, and granite countertops. The bathroom is equally stunning with tile floors, a new vanity, a new mirror, and updated fixtures. Do you enjoy watching nature but hate bugs? Your problem is solved with this home's enchanting screened-in patio. This home is conveniently located near the highway. There's nothing to do but move your family in—everything else has been taken care of for you!
