

7099 STONEYBROOK CROSSING

\$1,150,000

Bedrooms: 5 Full Baths: 4 Half Baths: 3 Levels: 2+ Story Square Feet: 3,881 MLS#: 21391410

PROPERTY DESCRIPTION

Rare opportunity in Stonybrook Plantation! Estate home nestled in the cul-de-sac with 9.8+/- acres of beautiful land, private gated entrance, main level pool, flag stone patio and fire pit, separate workshop/garage building, pole barn, generator, tankless water heaters, spray foam insulation, safe room, and more! Step inside the two story foyer that opens to the large formal dining with coffered ceiling and great room with built-ins, grand fireplace, and views of the pool and private fenced land surrounding. The kitchen features a large island, large eat-in space, and opens to the vaulted ceiling keeping room with fireplace. The master suite features tray ceilings, beautiful views, and a spa-like bathroom and large walk-in closet with custom cabinetry. Upstairs has four bedrooms, 3 full baths, and a big bonus room. Huge unfinished basement for expansion plus 3 car garage, 2 car main level garage, and separate 2 car garage building with very tall garage doors!
